

CIHR Training Program in Bridging Scientific Domains in
Drug Safety and Effectiveness (DSECT Program)

Application to Participate as an Unfunded Trainee

Steps:

1. Complete the application form below and submit by email to admin@safeandeffectiverx.com
2. The following documents must be submitted with your application:
 - a. An updated Curriculum Vitae
 - b. A supporting letter from your graduate supervisor indicating his/her support and knowledge of your participation. This must be sent directly from your supervisor to admin@safeandeffectiverx.com. Letter will indicate that the supervisor agrees that the trainee will complete a learning plan, which they will discuss with them (expected to take no more than 30 minutes) and that the trainee will submit this learning plan to the DSECT office.

Graduate Supervisor Phone:
Primary Scientific Domain Focus:
Secondary scientific domain interested in bridging to:
Please provide a brief statement of why you are interested in the DSECT program:

Please provide a description of your current research project:

What aspects of the DSECT program are you interested in participating in?

- Annual Symposium (April 19 - 20, 2012) – Registration fee \$250 (first day only) \$360 (both days)
- Online Curriculum Component (April 2012 – March 2013) – Access Fee \$ 400.00
- OSKTE (Objective Structured Knowledge Translation Experience (March 2013) Participation Fee \$ 220.00

* these fees are cost-recovery amounts. For the Symposium & OSKTE activities, unfunded DSECT trainees are responsible for paying for their own travel and accommodations (this may involve support by their home institution or program).
